Burglars Enter Ordman Store, Carry Off Safe

Burglars broke into the Ordman Park and Shop super market on Wolf rd., Mokena Sunday night and carted off a 1,500-pound safe. A small amount of money was in the safe, according to Ralph Ordman, one of the owners.

The safe, which stood about five feet high and approximately two feet square, was located in the office which is at the front of the brightly lighted store.

It was believed that the burglary took place sometime after midnight. Sub-zero cold still prevailed thru Sunday night and there was little traffic, a fact on which the burglars may have relied.

Police Chief Roy Newton said there must have been several men in the crew to handle a safe as heavy as

this one was and that for at least several minutes they would have been visible to passersby.

The safe was pushed or slid off the two steps leading into the office. A four-wheel dolly that belonged to the store was used by the thieves to get the safe out of the building thru a rear door. Chief Newton believes the burglars used a truck to carry the safe away, rather than a station wagon.

The Ordman Park and Shop at Lemont was burglarized the previous Sunday night (Jan. 23). The safe was battered open but the thieves found it contained no currency. They got \$369 from the cash registers.

On Jan. 20 burglars opened a safe in the Motto food store at Tinley.

Dr. J. O. Hitz Dies; Funeral Saturday

Dr. J. O. Hitz, 73, a resident of Orland township for the past 16 years and a former practicing dentist in Chicago and Mokena, died Tuesday, Feb. 1, in a hospital at McAllen, Tex., following a long illness.

Removal will be to the Schmaedeke chapel at 107th and Harlem avenue, Worth, where friends may call this evening after 7 o'clock and on Friday between 2 and 10 p.m.

A solemn requiem high mass is to be celebrated at St. Michael church at 10 a.m. Saturday.

Dr. Hitz was one of the original owners of the Woodlawn hospital and clinic and practiced dentistry there for 25 years. He later operated a dental office at Mokena for five years

and then retired because of his health. Dr. Hitz was a native of Hudson, Kans., but had spent most of his life in the Chicago area. He was a graduate of the Loyola school of dentistry. Besides his interest in the Woodlawn hospital he also was one of the founders of the Peace Memorial Nursing home at Evergreen Park.

Besides his wife, Loretta, Dr. Hitz is survived by a daughter, Jayne Ann, Mrs. John T. Morris, and a son, Ralph L., of Orland Park; three grandchildren and two sisters and four brothers, Mrs. Edna Hoglin, Cypress Gardens, Fla., and Mrs. Meta Francis, Boulder Junction, Wis., Dr. L. J. ENGINEERS STUDY BIDS ON 1-80 GRADE SEPARATIONS

Bids were taken on several 1-80 projects in Will county at Springfield last Saturday but the awarding of the contracts have been held up pending a check of the bids by engineers to make sure they comply with state qualifications.

The projects are all grade separations. Some weeks ago Gov. Kerner declared that 1-80 carried priority and was scheduled to be completed between Hazel Crest and Joliet this year.

So far there has been no announcement that the plans are ready for the highway itself. There have been appraisers in the field but so far there is no word in the area that actual offers

have been made for right-of-way.

The bids taken at Springfield last Saturday did not include the proposed cloverleaf interchange in the vicinity of U.S. 45 and 183rd st. So far no official word has been given relative to the plans for that project but it has been said that U.S. 45 will be moved to the west at about 183rd st., 300 or 400 feet, because of the underground cables serving the WLS transmitting station. It is also said that plans call for Route 45 to pass over the Rock Island tracks rather than pass under them.

The present underpass on U.S. 45 involving the Rock Island is a roadblock when there are heavy rains or snows.

In the bids taken Saturday Eric Bolander Co., Libertyville apparently was low for a four-span grade separation structure to carry 1-80 over Cedar road, about two miles north of New Lenox.

For another four-span structure to carry Town Road 304 and Parker road over 1-80 about two and a half miles northeast of New Lenox John D. Simpson Construction Co., Joliet was apparently the low bidder.

Simpson also was the apparent low bidder on a four-span structure to carry Maple road over 1-80 near the Willow Run Golf club on the edge of Marley.

Apparent low bidder on the structure that will carry 1-80 over the Wabash railroad tracks near Marley was Orr Construction Co., Chicago Heights.

For the two railroad grade

separations over the Chicago Rock Island and Pacific railroad three miles southwest of Tinley Park, Superior Concrete Construction Co., Chicago.

The structure that will carry 1-80 over Hickory creek and the Rock Island railroad tracks west of New Lenox is apparently completed. Overpasses on Wolf road, Francis road and Gougar rd. (south of U.S. 30) are also completed.

The New Lenox town and village governments and the New Lenox Association of Commerce and the Joliet Regional Chamber of Commerce are still striving to have an interchange included in 1-80 plans for North Cedar rd.

Arbury Hills

Blue And Gold Scout Banquet Is Feb. 26

MRS. EDWARD HOVI 479-5740
The Arbury Hills Cub Scouts held their Pack meeting at the school last Friday evening Jan. 28. The new Cubmaster, Fran Cronen, presided.
During the business portion of the meeting, it was determined that most people would prefer that the meetings begin at 7:30 p.m. promptly, instead of 7 p.m. It was, therefore, decided to make that change.
Charles Wallis has agreed to take over as assistant cubmaster and leader of the Webelos boys, those boys who are between 10 1/2 and 11. Two more committee members were also named with Gene Pasky helping out as sergeant-at-arms and one of the inspection aids. Connie Karp will also be a member of the committee.
Since the present secretary-treasurer, Mrs. Robert Burdett, will be leaving the area, Mrs. William O'Neill will be taking over this position.
The date of the annual Blue and Gold Cub Scout banquet will be Saturday, Feb. 26. There are ten ladies presently on the committee with a welcome mat out for any other ladies who are so inclined.
The boys of Den 4 were given the Smokey the Bear for this month as a reward for having the largest percentage of parents present at the meeting.
Den 5 was picked as having the best display on the flags with their world map showing many of the national flags on their respective countries.

The First Nighters will meet tonight, at the home of Mrs. Evelyn King of 19349 South Beechnut Drive, at 8 p.m.

Don't forget to put your bundled newspapers out at the garage door this Saturday for the newly re-established monthly newspaper collections by the boy scouts. The collections begin at approximately 9:30 a.m., so don't miss the "boat".

Do you have your baby sitter lined up for the night of February 19? What's up? Why, the fourth annual Arbury Hills Boys Baseball League benefit dance! It will again be held at the V.F.W. hall in Mokena one block south of the Rock Island railroad tracks on Wolf road.
The festivities will begin at 9 p.m. and will continue until 1. The music will be provided by the Chuck Michaels combo. Admission charge will be \$1.75 per person.
This dance is the major means the baseball organization has to raise the necessary funds to pay for the equipment for the coming baseball season.

Honor Outstanding Citizens Of Mokena

Last Saturday night was a cold one, the temperature sliding down under the 15 below zero mark, but despite the fact some 175 persons turned out for the fourth annual outstanding citizen awards banquet of the Mokena Chamber of Commerce.

The affair was held at Camp Manitouqua, on Sauk Trail, east of Frankfort, where a cheery fire blazed in the huge fireplace at one end of the lodge, adding its warmth to the welcome given this year's outstanding citizens--Walter Welsch, businessman and civic leader, and Mrs. Florence Niethammer, former member and secretary of the Mokena park district board and prominent in Girl Scout activities.

Each of the two honored guests were presented with plaques by the Chamber of Commerce, the presentations being made by the Rev. Cecil Koop, O.F.M., pastor of St. Mary church.

"Presented in recognition of outstanding service in the field of civic interests and community betterment," reads the inscription on each of the plaques.

Both recipients were given ovations.

Rabbi M.M. Hershman, of Joliet was the principal speaker and his theme naturally dealt with service.

"Live every day as if it were the last one," he urged. Charles Swanberg, Mokena businessman, park

Mokena's New Well Given High Rating

Mokena's new well, on which tests have been completed, was described as one of the three best wells in northern Illinois.

Four hundred and sixteen feet deep, the water rises up the casing to within 52 feet of ground level. Pumping 2,200 gallons a minute for 24 hours only brought the level down 17 feet and there were intervals in the course of the test when only 15 feet was recorded.

The crew that drilled the well estimated that more than 3,000 gallons per minute could be pumped.

The village board will now have to buy a pump and erect a pump house. It was

Mokena To Host Grade Band Contest

Mokena Grade school will again host the Illinois Grade School Band and Orchestra contest on Saturday, March 26.

Perry Friedman, director of bands in Mokena and contest chairman, reports an expected participation of 15 school bands and one orchestra involving nearly one thousand children from towns near and far to Mokena.

At the present time Mrs. Robert Fuley, president of the Mokena Band Boosters is preparing the working list of parents wishing to help at contest. It took 60 helpers to run contest last year and it will take 60 helpers to run it this year. Those who would like to help again this year, are asked to call 479-3261.

arrangements for the dinner.

Dr. August Bueltmann, pastor of Immanuel Lutheran church gave the invocation and the Rev. Robert Watson, pastor of the Mokena Methodist church gave the benediction. Organ music thru the dinner hour was provided by Wayne Swanberg and later Mrs. Marilyn Walters, of Maywood, a daughter of Mr. and Mrs. Welsch, sang. She teaches music.

believed that the board would buy a pump capable of putting out 750-gallons per minute.

Wehling Well Works, Beecher, drilled the well. The contract was for \$6,890 but that was figured on a 460 foot well so the final price will be substantially lower. The casing is 16 inches in diameter.

The well has been capped, pending purchase of a pump and erection of a pump house.

Mokena is fortunate in that it is sitting above an ample source of water, state records show.

Recent spells of zero temperature have pushed the frost deep into the ground, thus holding up work on installing the new water mains planned to improve the system.

The water is being tested for bacteria and hardness.

Open Letter from the Hirschs

Dear friends,
The South Carolina Advocate wrote of funeral directors as "men who have elected to serve humanity in an area of life which is filled with heartbreak, wonderment, bitterness, sorrow and grief."
Their own efforts to live with nearly constant death ... must in large measure have arisen out of a desire to help the stricken families and bring a little comfort in a material way. We are glad they are at hand."

Eagle Boosters Present Inter-Squad Swim

The Eagle Boosters club of Carl Sandburg high school will present Frosh - Soph and varsity swimmers in an inter-squad meet at 8 p.m., Wednesday, Feb. 9, at the school, 133rd and LaGrange, rd., Orland Park.
Coach John Weber promises lively competition in each event. The free style, breast stroke, back stroke, and diving will be judged and analyzed by Coach Weber. The commentary will be instructive.

In the first half the Eagles couldn't come up with the right combination to break open the Knights defense and had to settle for 16 points while the Lincoln-Way quintet soared to a 20 point lead at intermission.

In the third period the story was just the reverse. The Eagles poured the coal to their offensive maneuvers and were able to break open the Knights defense and come within just two points of faltering Lincoln-Way --49 to 47.

Entering the fourth period both teams were plagued with personal fouls. Van Broman, the Eagles spark plug who

tallied 19 points, exited early in the fourth period. He was followed by teammates Rich Ade and Marvin Blummer. The Knight's Karl Warning, who contributed six points to the cause and Keith Schram, who shot six for six from the floor and four for eight from the charity strip to add 16 points, also exited by way of personal fouls.

Tom Tilsy, who may very well be a member of the Smokey the Bear Club, substituted for Karl Warning and put out the Sandburg fire at the charity strip by dropping in seven out of seven shots and also added a bucket to bolster the Knights score by nine.

Mike Seitzinger played a tremendous game by holding the conference leading scorer, Drew Corley to 13 points, while picking up 20 himself. Dave Eden notched 12 points and held his opponent Rich Ade to just two points. Playmaker Bill Stanfill also scor-
